After some discussion, the Board unanimously voted to send a memo to the Director of Division of Consumer Affairs with their concerns regarding the US Supreme Court's decision.

B Correspondence

John A Casolaro - ARE Applicant

On September 10, 2015, the Board reviewed a July 20, 2015 letter from John A Casolaro concerning his eligibility to sit for Architectural Registration Examination (ARE). Subsequent to reviewing the information submitted, the Board unanimously voted to inform Mr. Casolaro that the Board will accept the 1.74 years of training from NCARB. However, New Jersey requires a total of three calendar years of experience and you will have to document the remaining 1.26 years of experience by providing a detailed explanation and documentation of your experience. On October 8th, the Board voted unanimously to table this letter until the next meeting for discussion. On November 12th, DAG Albertson informed the Board that a letter requesting more specific information from Mr. Casolaro as to his architectural experience was sent out October 26.
